JANUARY

Nature

To find the universal elements enough
 to find the air and the water exhilarating
 to be refreshed by a morning walk
 or an evening saunter
 to be thrilled by the stars at night
 to be elated over a bird's nest
 or a wildflower in
 spring these are some of the rewards
 of the simple life.

AUGUST

Independence Day

15 .8.2015

Independence Day, observed annually on 15 August, is a National Holiday in India commemorating the nation's independence from the British Empire on 15 August 1947. India attained independence following an Independence Movement noted for largely nonviolent resistance and civil disobedience led by the Indian National Congress (INC).

SEPTEMBER

World Tree Day 15.9.2015

In botany, a tree is a perennial plant with an elongated stem, or trunk, supporting branches and leaves in most species.

Green Consumer Day 28.9.2015

Green Consumer Day is observed globally on September 28th every year.

On this day an awareness is made to encourage purchasing only eco-friendly products which does not pollute the environment. This highlights the problems of consumerism and its impact on the environment. We should focus primarily on awareness raising and the importance of recycling-reusing and reducing waste material.
